Submitted for formal orders

The purpose of the acquisition can not be said to be for a public purpose as the acquisition is not likely to prove useful to the public in general

The Dist Co Commissioner need not have entertained this application as the land does not lie within the Municipal limits and is not interested in the Scheme nor have they approved it

In paras from 16 & 21 of the notes in that file, the question whether the acquisition was for any public purpose has been discussed and the Law Secy opined in para 21 that the acquisition was not for a public purpose

The formalities & necessary notifications were however published calling for objections and stating that if the acquisition was for a public purpose

There were no petitions against the acquisition one petition from one Sri D Narayana Reddy was that he had no objection to the acquisition of the land provided he was paid proper price The acquisition was then sanctioned

It seems to be quite clear that the purpose for which the acquisition of the properties is sought is not a public purpose The Dy Commr may therefore be informed that it is not possible to take proceedings under the L A Regn

Subject — Acquisition - extension of Sri Parakalamutt buildings Bangalore

CHIEF SECRETARY. 7 NOV 1928

In submitting herewith notifications statement in duplicate under Sections 4 and 5(A) of the Land Acquisition Regulation in respect of the acquisition of certain lands, in the Bangalore City for the extension of the Sri Parakala Mutt Buildings I have the honour to state that, the proposal appears to have been made by the Municipal Commissioner Bangalore City on a requisition received from the Mutt authorities It is doubtful if the proposal can be treated as one intended for a public purpose and if Government consider it so the enclosed notifications may kindly be caused to be published in the Official Gazette

I have the honour to be
Sir,
Your most obedient servant,

Deputy Commissioner,
Bangalore District

Sree Barhmatantra Parakala Mutt,
Mysore, Dated,18/,9th April 1928

No.Oc.360

From

The Honorary Superintendent,
Sree Brahmatantra Parakala Mutt,
Mysore

To

The President,
City Municipal Council,
Bangalore.

Sir,

I have the honour, by command of His Holiness Sree Swam: of the Para.ala Mutt, Mysore, to state that the Temple Buildings situated to the north of the Sharmambudhi Tank in Bangalore adjoining the Tank Bund was generously gifted to the Mutt in 192 by a lady of benevolent disposition by name Tali Sundari, comple: with the Mahadwara and the compound wall, all that remained to be done at the time, being the installation of the presiding Diety and the arrangements relative thereto

It is now proposed to open a branch of the Mutt in association with the Institution and for the purpose His Holiness co: siders that the buildings should be completely detached from the neighbouring structure Viz the house owned by one Tigalara Venkatamma which is adjoining the outhouses of the Mutt Building The attempts made by the Mutt to acquire the house by effecting a private purchase have all been in vain due to various complications in ownership

May I request you to kindly see your way to acquire the property under the provisions for acquisition of properties for public purposes,,the consecration of the Temple and the opening of the Mutt Branch being both in their very nature to serve a public purpose. The sale price which I hope will be as low as practicable will be remitted to you as soon as intimation is given to me of its purchase and the details connected therewith The favour of early action in the matter is solicited a

1

as the question has been pending long and His Holiness is very particular to see that the o of the Mutt Branch in association with the Temple an accomplished fact without any further delay

Thanking you in anticipation,

I have the honour to be,

Sir,

Your most obedient servant,

Sd Tiruvallur Sreenivasa Rao
